

**A Personal Message
from Coach Parenton**

I'm excited to invite you to attend the 2008 Jesuit High School Baseball Camp. We've designed our camp to help you improve your individual skills and give you an opportunity to have fun and learn the game "the Blue Jay way." Our staff will teach you the proper baseball techniques to succeed. You will receive outstanding instruction in a positive learning environment at the Jesuit High School Baseball Camp. I look forward to seeing you and your parents at Will Clark Field and the Louis Roussel P.E. Building on the Jesuit campus. Go Blue Jays!

Sincerely,
Coach Tim Parenton
