

JESUIT HIGH SCHOOL • CELEBRATION 2010

*Once in a Blue Moon*

SATURDAY, MARCH 13, 2010

Dear Jesuit Parents, Alumni, and Friends:

Welcome to Celebration 2010! Your presence and support help Jesuit High School to continue its mission of forming and educating young men so that they will become men of character whose decisions reflect religious and moral values. Jesuit has for over 160 years produced graduates with the confidence and skills to meet the challenges of their age.

I am grateful to all of the loyal supporters who have been a part of our efforts through the years. I thank all those who have played such an important role in making Celebration 2010 so successful. Marian Gibbs and Kathy Weidner have worked tirelessly in organizing and coordinating the event. I appreciate the tremendous work that the entire committee has done to make the auction so successful.

We have so many other people to thank for their devotion to Jesuit. Many of their names are listed throughout this book. Our special donors, the restaurants that donated food, and the members of the various committees deserve our thanks. I hope you will join me in thanking them for all that they do for Jesuit High School. Primarily, I thank you for your participation. Without you, all of our efforts would be for naught.

Yours sincerely,

Anthony McGinn, S.J.  
President
