# GIVING PROGRAM

**Jesuit is grateful for the loyal support of its alumni, parents, and friends at all levels.**

## ONLINE DONATIONS

**Make your pledge and donation quickly and easily on Jesuit's secure web site.**

Go to Jesuit's home page—[www.jesuitnola.org](http://www.jesuitnola.org)—and look for Jayson in the upper left corner. Click the fund you want to give to and follow the simple steps. It takes only a few minutes to complete a pledge or donation. Your gift may be a lump sum contribution or you may choose to give in installments. If you have questions about using Jesuit's online donations system, contact the development office at 504-483-3815.

## MATCHING GIFTS

**Many companies match the donations their employees give to schools such as Jesuit High School.**

A matching gift for the PAG or LEF drives, the Katrina Fund, or the school's various scholarships will maximize your own contribution to Jesuit High School. You receive recognition for both gifts. For Jesuit to receive a matching gift, donors must first fulfill their own personal commitments, then send Jesuit their companies' matching gift forms. The development office handles the rest. It's that easy.

## OTHER WAYS TO GIVE

**There are many creative ways to give to Jesuit.**

Some of our benefactors have life insurance policies and annuities in which Jesuit is a beneficiary. You may want to consider a donation of real estate or shares of a company's stock. You are entitled to a charitable income tax deduction for the fair market value of your gift of appreciated securities no matter what you paid for them. As an added benefit, you avoid the capital gains tax on your stock or other appreciated property.
