

2019 Distinguished Military Alumnus Award

Nomination Form

Anyone may submit a nomination for this award.

Due: May 31, 2019

Each year as part of the Jesuit vs. Holy Cross Great American Rivalry Homecoming event, Jesuit and Holy Cross recognize an alumnus from each school for his distinguished military service. The award recognizes an alumnus who has demonstrated the qualities outlined in the criteria below.

Criteria:

1. The nominee's military service can be described as "distinguished"; that is, his military resume reflects accomplishment that sets him apart from most military personnel, thus earning him a high level of respect from his peers, his superiors, and even the broader community.
2. He has demonstrated leadership in executing his military duties.
3. He is a representative Blue Jay, one whose life has reflected the mission of his alma mater to form men of faith and men for others.

Eligibility:

- The nominee must be a graduate of Jesuit High School of New Orleans.
- He must have served honorably on active duty in the Armed Forces or Uniformed Services of the United States.
- He may be active or retired. If active, he must have at least 10 years of service accrued. If retired, his discharge must be "honorable."
- He must be available to attend the award ceremony.
- Generally, the award is not presented posthumously.
